INSURANCE & INVESTMENT ADVISERS

FINANCIAL MARKETS AUTHORITY

The new laws commenced on 1 July. This means more paper work as an Authorised Financial Advisor but it provides us with a thorough analysis of your needs. The Financial Markets Authority have been in action auditing unauthorised people operating outside the law.

CHANGES TO POLICY WORDINGS

Some companies have enhanced policy wordings for their policies and are passing the enhancements back to existing clients. Some policies may have been in force for 10 years or more and can benefit from these upgrades. If you have any doubts about eligibility to claim please do not hesitate to contact me.
