

IT HAPPENS[®]

INSURANCE & INVESTMENT ADVISERS

NOVEMBER NEWSLETTER - WHERE HAS THE YEAR GONE?

Whew - it has been quite a few months in New Zealand hasn't it?

We've had ships hitting reefs and people wanting to hit refs - It has been all on!

I hope you enjoyed the rugby and if you're not into rugby, I hope you enjoyed the festive atmosphere that came with it and of course the result!

Election

We have been surrounded by politicians kissing babies and making their presence felt up to the election. Now it is all over we can concentrate on

Christmas

Can you believe it is nearly Christmas already? I saw Christmas fare and decorations at Countdown in October!

If you are going away for the holidays don't forget to ensure your house is secure and you have someone picking up newspapers and mail.

Investments

Some of the insurance companies are closing investment products and I will be in touch with you if this affects you. This may not happen until the new year but please call me if you have any questions or concerns.

Sheryl Glasse

I will be in touch before the end of the year with a delicious Christmas recipe.
